OFFICIAL MANUFACTURER'S CERTIFICATE REVERE VINYL WINDOW AND DOOR PRODUCTS

Revere exterior windows and doors (a brand division of Gentek Building Products, Inc.) are manufactured by parent company Associated Materials Incorporated (AMI), headquartered at 3773 State Road, Cuyahoga Falls, Ohio 44223. ENERGY STAR® qualified windows and patio doors, which meet or exceed the criteria established by the U.S. Department of Energy for each of the climate zones, may qualify for a tax credit under part of the legislation known as H.R.8 – American Taxpayers Relief Act of 2012. Qualifying product criteria shall be those that meet ENERGY STAR criteria in the climate zone in which they are installed. Products shall qualify for the aforementioned energy-efficient, home improvement incentives that allow for a tax credit of 10% of the cost of the qualifying windows to a maximum of \$200 per household and patio doors to a maximum of \$500 per household for 2012/2013. Note: There is now a lifetime limit of \$500 (\$200 for windows/skylights) in total credits that a homeowner can claim from January 1, 2006 to December 31, 2013. It is **not** on top of the \$1,500 limit in 2009-2010. The cost of installation may not be included.

Revere represents that the following families of window and patio door products, when purchased with a qualifying* ENERGY STAR glass package, meets the requirements as stated above.
